

Call for Sponsorship

The 3rd ASEAN Conference on Failure Analysis and Inspection for Materials and Products 2018

**Cholchan Pattaya Beach Resort
Chonburi, Thailand
28 – 29 June 2018**

The 3rd ASEAN Conference on Failure Analysis and Inspection for Materials and Products will be a crucial forum for exchanging breakthrough ideas and experiences among researchers, engineers, scientists and industrialists related to inspection and failure analysis of materials, products and machines in production process. It will also provide an opportunity to establish international linkage and promoting collaborative research and development projects on failure analysis and inspection in the region. Consequently, good practices and standard methods in inspection and failure analysis will be commended for excellent total quality of products and supply chain as well as improvement competency for sustainable competitiveness.

OBJECTIVES:

- To exchange breakthrough academic ideas and gather on theoretical and experimental issues related to inspection and failure analysis of materials and products in the production process among researchers, engineers and scientists in academic institutes and industries of the international community
- To attain good practice and guidelines for inspection and failure analysis among ASEAN member countries
- To facilitate the international collaboration among the participants

TARGET PARTICIPANTS:

Approximately 80 participants as follows;

- International researchers/engineers/scientists from ASEAN countries
- Thai participants from both public and private sectors

**FAIM
2018**

Sponsor Packages

Silver Patron (15,000 THB)

- Listing of company name on all conference proceedings.
- Placing of company logo on backdrop, conference bag, and official conference folder.
- One 1.8 m exhibition booth and two exhibitors **or** two free registrations for attendance and one speaker.

Gold Patron (30,000 THB)

- Listing of company name on all conference proceedings.
- Placing of company logo on backdrop, conference bag, and official conference folder.
- One 3.6 m exhibition booth and two exhibitors **or** four free registrations for attendance and two speakers.

Platinum Patron (40,000 THB)

- Listing of company name on all conference proceedings.
- Placing of company logo on backdrop, conference bag, and official conference folder.
- Two 3.6 m exhibition booths and four exhibitors **or** six free registrations for attendance and three speakers.
- Placing of company name and logo on all document as a co-organizer.

Organized by

Material Properties and Failure Analysis Laboratory (MPF)

Thailand Institute of Scientific and Technological Research (TISTR)
