

Application for Graduate Studies, 2021 Academic Year

Program	Nanomaterials Science			Code	X	D	2	4
Department	Materials Science							
Faculty	Science							
Degree Name	Master of Science (Nanomaterials Science)							
Number of	First Semester:	4	Persons					
Students	First Semester:	8	Persons	(Re-open)				
	Second Semester:	3	Persons					
Plan	A 2							

Applicant's qualifications and additional qualifications specified by the program

- 1) Applicants must hold a bachelor's degree in Materials Science or related fields.
- 2) Qualification requirements of applicants are subject to Kasetsart University Regulations on Graduate Studies of The Graduate School, Kasetsart University.

Details of Admission Examination

Examination	Date/Place		
	First Semester	First Semester (Re-open)	Second Semester
Interview (English)	January 12 th , 2021 1.00 pm – 4.00 pm Room 507, 5 th floor, Sukpracha Vajanont Building, Faculty of Science	April 20 th , 2021 1.00 pm – 4.00 pm Room 507, 5 th floor, Sukpracha Vajanont Building, Faculty of Science	September 28 th , 2021 1.00 pm – 4.00 pm Room 507, 5 th floor, Sukpracha Vajanont Building, Faculty of Science

Additional information

Details regarding the program and research areas within the Materials Science department can be found at www.mat.sci.ku.ac.th. The Faculty of Science and Kasetsart University will provide **financial assistance and research scholarships** to high potential foreign students who show evidence of adequate ability for collaborative research with abroad laboratory.
