

Program	Genetics	Code	X D 0 9
Faculty	Science		
Degree	Ph.D. (Genetics)		
Plan	1.1, 2.1		
Number of Students	First semester	5 Persons (3 rd round)	Second semester 5 persons

Admission Requirement

Plan 1.1 Applicants must hold a master’s degree in Genetics or other related fields with research back ground as thesis or have a minimum of 1 years of working or research experience in related field

Plan 2.1 Applicants must hold a bachelor’s degree in Genetics or other related fields with high academic record.

Applicant must have English examination result as required by the Higher Education Commission. (See the Graduate School announcement)

<http://www.grad.ku.ac.th/en/download/app-59-f1-eng-combi-eng/?wpdmdl=29771&masterkey=5ac1f64f6052a>

Qualification requirements of applicants are subject to Kasetsart University Regulations on Graduate Studies of The Graduate School, Kasetsart University.

Details of Examination

Examination	Date-Time-Place	
	First semester (3 rd round)	Second semester
1. Written examination	July 6, 2021 via teleconference	November 18, 2021 via teleconference
2. Oral examination		

Additional information: This program is a non-course work graduate program. Students can pursue their studies and conduct research in a broad spectrum of appropriated area in genetics. Students are obligatory to study full-time to facilitate timely completion of their degree program. **Financial assistance and research scholarships** will be provided to high potential foreign students who show evidence of adequate ability for collaborative research with abroad laboratory and **The Royal Golden Jubilee Ph.D. Program Scholarships** for ASEAN students.
