Program	**Science for Industry**	Code	**X D 3 0**
Faculty	**Science**		
Degree	**M.S. (Science for Industry)**		
Plan	**A 1 and A 2**		

Number of Students	**First semester**	**5 (A1)** persons	**Second semester**	**5 (A1)** persons
		15 (A2) persons		**15 (A2)** persons

Admission Requirement

1. Applicants must hold a bachelor's degree in Science, Engineering or other related fields and the result of your English examination is also required.

2. Qualification requirements of applicants are subject to Kasetsart University Regulations on Graduate Study of the Graduate School, Kasetsart University.

Remarks:

Specify the fields of interest at the end of the application e.g. Physical Science, Biological Science, Health Science, Agriculture, Forestry, Fisheries, Environmental Science and Applied Science etc.

Details of Examination

Activities	Date-Time-Place	
	First Semester (Re-open) (Wed 18 – Fri 27 May, 2022)	Second Semester
Oral examination for knowledge in basic science relevant to the industrial applications	14th June 2022 Time start at 2.00 pm – 4.00 pm Online-room: https://ku-edu.webex.com/ku-edu/j.php?MTID=mbc5008869fdf9736aaffea60998faecb	18th October 2022 Time start at 9.00 am – 11.00 am Room: 406 Sukphacha Vajanont Building, Faculty of Science

Additional information:

The Master of Science program in Science for Industry is a multidisciplinary graduate program focusing on joint research based on the university-industry co-creation platform. This program has joined the Higher Education for Industry Consortium (Hi-FI) by which the graduate scholarships can be provided to high potential foreign students who show evidence of adequate ability for collaborative research with industry. Importantly, the students experience the problem-based learning at the industrial sector under the supervision of an advisor from university. In addition, the extracurricular activities are also added to the program in order to get the students ready for working in the industry.
