

Application for Graduate Studies, 2022 Academic Year

Program	Bioscience (International Program)				Code	XD 2 2	
Faculty	Science						
Degree	Ph.D. (Bioscience)						
Plan	1.1, 1.2						
Number of Students	First semester	6	persons	(Re-open)	Second semester	6	persons

Admission Requirement

Plan 1.1 Applicants must hold a master's degree in Bioscience or other related fields.

Plan 1.2 Applicants must hold a bachelor's degree in Bioscience or other related fields with high academic record.

The Board of The Graduate School, in the meeting number 16/2021 on 9 December 2021, resolved to give a definition of the term "Excellent Academic Performance" which means that students must obtain a cumulative grade point average of not less than 3.25.

If a cumulative grade point average is less than 3.25 but more than 3.00, applicants may be considered for admission by examining applicants' sufficient knowledge, ability and potential to conduct and publish doctoral research which must be approved by the Admission Committee for Graduate Studies, Head of Department or Graduate Program Committee Chairperson, and Dean of the applied program, and then submit to the Graduate School for consideration. This is to be applied as a practice guideline of Kasetsart University from the first semester of 2022 academic year onwards.

Applicant must have English examination result as required by the Higher Education Commission. (See the Graduate School announcement

Remarks:

Specify the fields of interest at the end of the application e.g. Applied Radiation and Isotopes, Biochemistry, Botany, Earth Science, Genetic, Microbiology, Zoology, Chemistry, Physics, Material Science, Statistics and Computer Science, *etc.*

Submit an abstract of research proposal of at least one page long on A4-size paper to present the Examination committee (5 copies) 1 week before the interview day.

Foreign applicant has to contact the program academic staff for the candidate research advisor and send the reference letter with the application form.

Details of Examination

Activities	Date-Time-Place	
	First Semester (Re-open)	Second Semester
1. Research experience & concept proposal presentation 2. Oral examination for knowledge in biological science	18 May 2022 Time start at 10.00 am. Room: 406 Sukphacha Vajanont Building, Faculty of Science	18 October 2022 Time start at 10.00 am. Room: 406 Sukphacha Vajanont Building, Faculty of Science

Application for Graduate Studies, 2022 Academic Year

Additional information: The international program is an interdepartmental multidisciplinary non-course work graduate program. Students can pursue their studies and conduct research in a broad spectrum of appropriated area in biological and physical sciences. Students are obligatory to study full-time to facilitate timely completion of their degree program. The Faculty of Science and Kasetsart University will provides **financial assistance and research scholarships** to high potential foreign students who show evidence of adequate ability for collaborative research with abroad laboratory and **The Royal Golden Jubilee Ph.D. Program Scholarships** for ASEAN students.
