

Program	Microbiology	Code X	D	0	6
Department	Microbiology	Faculty	Science		
Degree Name	Ph.D. (Microbiology)				
Plan	1.1, 1.2, 2.1 and 2.2				
Number of Students	First Semester:	2	persons	(Re-open)	
	Second Semester:	2	persons		

Applicant’s qualifications and additional qualifications specified by the program

1. **Plan 1.1** - Applicants must hold a master’s degree in Science (Microbiology) or other related fields with research back ground as thesis.

2. **Plan 1.2** - Applicants must hold a bachelor’s degree in Science (Microbiology) and have a good record of study including published article in article or receiving research award.

The Board of The Graduate School, in the meeting number 16/2021 on 9 December 2021, resolved to give a definition of the term “Excellent Academic Performance” which means that students must obtain a cumulative grade point average of not less than 3.25.

If a cumulative grade point average is less than 3.25 but more than 3.00, applicants may be considered for admission by examining applicants’ sufficient knowledge, ability and potential to conduct and publish doctoral research which must be approved by the Admission Committee for Graduate Studies, Head of Department or Graduate Program Committee Chairperson, and Dean of the applied program, and then submit to the Graduate School for consideration. This is to be applied as a practice guideline of Kasetsart University from the first semester of 2022 academic year onwards.

3. **Plan 2.1** - Applicants must hold a master’s degree in Science (Microbiology) or other related fields with research back ground as thesis or having research experience in microbiology area.

4. **Plan 2.2** - Applicants must hold a bachelor’s degree in Science (Microbiology) or other related field and have a good record of study.

Applicant must have English examination result as required by the Higher Education Commission. (See the Graduate School announcement)
