

## Application for Graduate Studies, 2023 Academic Year

Program	Mechanical and Design Engineering		Code X	E	2	9
Department	Mechanical Engineering					
Faculty	Engineering at Sriracha					
Degree	Master of Engineering (Mechanical and Design Engineering)					
No. of Student	First Semester	15	Persons	Second Semester	5	persons
Plan	A 2					

### Admission Requirements

1. Bachelor of Engineering in Mechanical Engineering or related field
2. Qualification requirements of applicants are subject to Kasetsart University Regulations on Graduate Studies of The Graduate School, Kasetsart University

**Related Field:** for example, Mechanical and Design Engineering, Naval Architecture and Marine Engineering, Aerospace Engineering, Energy Engineering, etc.

Examination	Date/Place		
	First Semester	First Semester (Re-open)	Second Semester
Announcement for Eligible Candidates for the interview examination	Thursday 16th February 2023	Thursday 11th May 2023	Tuesday 17th October 2023
Interview (English)	Friday 10th March 2023 09.00 – 12.00 am	Friday 19th May 2023 09.00 – 12.00 am.	Friday 27th October 2023 09.00 – 12.00 am.
	Department of Mechanical Engineering 8th Floor Building 23 Faculty of Engineering at Sriracha Kasetsart University Sriracha Campus		
Announcement for Eligible Candidates for the study	Thursday 23rd March 2023	Wednesday 7th June 2023	Tuesday 7th November 2023

### Additional Information

1. Focus Research Areas includes Thermal-Fluid, Combustion, Applied Mechanics, Biomechanics, Medical Engineering, Product Design, Manufacturing Engineering, Modern Automotive Engineering, Electric Vehicle, Energy System, Robotics, and Automation.
2. Faculty of Engineering at Sriracha provides conference presentational support for graduate students.
3. Graduate student are able to work with research unit and laboratory which full equipped with research facilities in the Faculty of Engineering at Sriracha.
4. Course Instructors are Ph.D. with high number of publications and industrial experiences.
5. Classes are lecture and practical based learning.
6. Student have to prepare summary of interested topic in 1 page A4 and bring it with you on interview day.
