

Application for Graduate Studies, 2023 Academic Year

Program: **Plant Pathology** Code **XA06**

Faculty: **Agriculture at Kamphaeng Saen**

Degree: **Doctor of Philosophy (Plant Pathology)**

Number of students: **First semester** 4 persons **Second semester** 5 persons

Plan: **Plan 1.1**

Plan 1.2

Plan 2.1

Plan 2.2

Admission requirements

Applicant in Plan 1.1 and 2.1

1. Master degree of Science in Plant Pathology or related fields.
2. Applicant must have English examination result as required by the Higher Education Commission. (See the Graduate School announcement)
<http://www.grad.ku.ac.th/en/download/app-59-f1-eng-combi-eng/?wpdmdl=29771&masterkey=5ac1f64f6052a>
3. Qualification requirements of applicants are subject to Kasetsart University Regulations on Graduate Studies of The Graduate School, Kasetsart University.

Applicant in Plan 1.2 and 2.2

1. Bachelor degree in Plant Pathology or the relevant fields with excellent academic background and potential to conduct research.
2. Applicant must have English examination result as required by the Higher Education Commission. (See the Graduate School announcement)
<http://www.grad.ku.ac.th/en/download/app-59-f1-eng-combi-eng/?wpdmdl=29771&masterkey=5ac1f64f6052a>Qualification requirements of applicants are subject to Kasetsart University Regulations on Graduate Studies of The Graduate School, Kasetsart University.
3. It is mandatory that the applicant discusses with the potential advisor about the future research and possibility of conducting the experiments and submits the conceptual proposal of your research interest (no more than 2 pages) along with the application documents.

Application for Graduate Studies, 2023 Academic Year

The Board of The Graduate School, in the meeting number 16/2021 on 9 December 2021, resolved to give a definition of the term “Excellent Academic Performance” which means that students must obtain a cumulative grade point average of not less than 3.25.

If a cumulative grade point average is less than 3.25 but more than 3.00, applicants may be considered for admission by examining applicants’ sufficient knowledge, ability and potential to conduct and publish doctoral research which must be approved by the Admission Committee for Graduate Studies, Head of Department or Graduate Program Committee Chairperson, and Dean of the applied program, and then submit to the Graduate School for consideration. This is to be applied as a practice guideline of Kasetsart University from the first semester of 2022 academic year onwards.

Remarks for Plan 1.1, 1.2, 2.1 and 2.2

It’s mandatory that the applicant discuss with the potential advisor about the future research and the possibility of conducting the experiments and submits the conceptual proposal of your research interest (no more than 2 pages) along with the application documents.
