

Program	Animal Health and Biomedical Sciences			Code	XI 16
Faculty of	Veterinary Medicine				
Degree	M.S. (Animal Health and Biomedical Sciences)				
Plan	A 1				
Number of Students	First Semester	10 persons	Second Semester	10 persons	

Admission Requirements:

1. Applicants must hold bachelor’s degree in Science or related fields
2. Qualification requirements of applicants are subject to Kasetsart University Regulations on Graduate Studies of Kasetsart University

Remarks: related fields e.g., Veterinary medicine, Zoology, Animal science, Veterinary technology, Veterinary nursing, Biotechnology, etc.

Details of Admission Examination

Examination	Date/Place		
	First semester	First semester (Re-open)	Second semester
Interview	February 6, 2025 (time 13.00 pm) Meeting Room1, 2 nd Floor Chakpichaironnarongsongkhram Building, Faculty of Veterinary Medicine, Kasetsart University, Bangkhen Campus	May 9, 2025 (time 13.00 pm) Meeting Room1, 2 nd Floor Chakpichaironnarongsongkhram Building, Faculty of Veterinary Medicine, Kasetsart University, Bangkhen Campus	October 16, 2025 (time 13.00 pm) Meeting Room1, 2 nd Floor Chakpichaironnarongsongkhram Building, Faculty of Veterinary Medicine, Kasetsart University, Bangkhen Campus

Note: Supervisors support main part of the research funding and students are required to gain experiences in research funding process during their studies.

Additional information:

Graduates will gain competitive research experiences and knowledge in the areas of Animal Health and Biomedical Sciences. Researcher, scientist, lecturer, academic staff or manager of private companies in Animal Health and Biomedical Sciences are options of their careers.
