#### Application Plan 2.2

- Applicant must hold a Bachelor's degree in Civil Engineering or other related fields with high academic record. Equivalent degrees are also acceptable (Please contact department).
- Qualification requirements of applications are subject to Kasetsart University Regulations on Graduate Studies of Kasetsart University

The Board of The Graduate School, in the meeting number 16/2021 on 9 December 2021, resolved to give a definition of the term “Excellent Academic Performance” which means that students must obtain a cumulative grade point average of not less than 3.25.

If a cumulative grade point average is less than 3.25 but more than 3.00, applicants may be considered for admission by examining applicants' sufficient knowledge, ability and potential to conduct and publish doctoral research which must be approved by the Admission Committee for Graduate Studies, Head of Department or Graduate Program Committee Chairperson, and Dean of the applied program, and then submit to the Graduate School for consideration. This is to be applied as a practice guideline of Kasetsart University from the first semester of 2022 academic year onwards.

- Applicant must specify only one area of study out of the following areas:
  - Structural Engineering
  - Geotechnical Engineering
  - Transportation Engineering
  - Construction Management
  - Survey Engineering
  
- Applicant must contact advisor before submitting the application form

Note: For Survey Engineering and Geographic Information program, candidate who have not hold appropriate master’s degree in engineering can submit application with study’s detail’s and transcript in the admission process for the program committee to consider read.
