

Program	Materials Engineering	Code	X	E	2	2
Department	Materials Engineering					
Degree Name	Doctor of Philosophy (Materials Engineering)					
Plan	Plan 1.1 2 persons					
	Plan 1.2 1 person					
	Plan 2.1 1 person					
	Plan 2.2 1 person					
Number of Student	First Semester 3 persons	Second Semester	2	persons		

Applicant's qualifications and additional qualifications specified by the program

Application Plan 1.1 and 2.1

1. Applicants must hold a Master's degree or equivalent in Engineering or Science or a related field
2. Applicant must have English examination result as required by the University Council. (See the Graduate School announcement <https://kasets.art/sde7rb>)
3. Qualification requirements of applications are subject to Kasetsart University Regulations on Graduate Studies of Kasetsart University

Application Plan 1.2 and 2.2

1. Applicant must hold a Bachelor's degree or equivalent in Engineering or Science or a related field with high academic record.
2. Applicant must have English examination result as required by the University Council. (See the Graduate School announcement <https://kasets.art/sde7rb>)
3. Qualification requirements of applications are subject to Kasetsart University Regulations on Graduate Studies of Kasetsart University

The Board of The Graduate School, in the meeting number 16/2021 on 9 December 2021, resolved to give a definition of the term "Excellent Academic Performance" which means that students must obtain a cumulative grade point average of not less than 3.25.

If a cumulative grade point average is less than 3.25 but more than 3.00, applicants may be considered for admission by examining applicants' sufficient knowledge, ability and potential to conduct and publish doctoral research which must be approved by the Admission Committee for Graduate Studies, Head of Department or Graduate Program Committee Chairperson, and Dean of the applied program, and then submit to the Graduate School for consideration. This is to be applied as a practice guideline of Kasetsart University

from the first semester of 2022 academic year onwards.

Note:

- 1) Applicants must provide a statement of purpose or specify reasons to enroll in the program (1 page of A4), explaining their motivation for pursuing the program
- 2) Applicants must provide the name of 3 faculty members from the department, ranked in order of preference for potential thesis supervision. This information should be submitted together with the application form.

Details of Admission Examination

Examination	Date/Place		
	First Semester	First Semester (Re-open)	Second Semester
1. Present of Previous Research or Thesis Work Applicants must <u>prepare a short presentation to present their past research or thesis work</u> 2. interview by the Graduate Admissions Committee (Conducted in Thai and English)	Thursday 20 February, 2025 at 9:00 am – 12.00 pm 3 rd Floor, Department of Materials Engineering, Chuchat Khamphu Building, Faculty of Engineering	Friday May 16, 2025 at 9:00 am– 12.00 pm 3 rd Floor, Department of Materials Engineering, Chuchat Khamphu Building, Faculty of Engineering	Tuesday October 21, 2025 at 9:00 am – 12.00 pm. 3 rd Floor, Department of Materials Engineering, Chuchat Khamphu Building, Faculty of Engineering
