

Application for Graduate Studies, 2026 Academic Year

Program	Computer Engineering and Informatics		Code	X E 3 6	
Department	Computer Engineering Faculty of Engineering at Sriracha				
Degree	Master of Engineering (Computer Engineering and Informatics)				
No. of Student	First Semester	15	persons	Second Semester	15 persons
Plan	Plan 1 A1 & Plan 1 A2				

Admission Requirements

1. Hold a bachelor's degree or equivalent in Computer Engineering, Computer science, Mathematics or related sciences.
2. Qualification requirements of applicants are subject to Kasetsart University Regulations on Graduate Studies Kasetsart University.

Note: Related fields include Electrical Engineering, Electronic Engineering, Telecommunications Engineering, Software Engineering, Mechatronics Engineering, Robotics Engineering, Control Systems Engineering, Industrial Engineering, Data Science, Information Technology, or other related fields in computer science, digital technology, engineering, or related sciences.

Preferable Qualifications

Schedule	Date/Place		
	First Semester 2026 1 st Round	First Semester 2026 2 nd Round	Second Semester 2026
Announcement for Eligible Candidates for the interview examination	-	Tuesday 5 th May 2026	Friday 9 th October 2026
Interview (English)	-	Tuesday 12 nd May 2026 09.00 – 12.00 am.	Tuesday 20 th October 2026 09.00 – 12.00 am.
	The program will contact applicants to provide the link for the online interview		
Announcement for Eligible Candidates for the study	-	Monday 8 th June 2026	Monday 9 th November 2026

Additional Information

1. *The Computer Engineering and Informatics program focuses on research and development of digital technologies that address the needs of modern industries and society. Research areas include Artificial Intelligence and Machine Learning (AI & ML), Data Science and Analytics, Embedded Systems and the Internet of Things (IoT), Computer Vision and Image Processing, Intelligent Systems and Robotics, as well as advanced software and computer systems development.*

Application for Graduate Studies, 2026 Academic Year

2. *The Faculty of Engineering at Sriracha Campus, Kasetsart University and the Graduate School, Kasetsart University provide financial support for graduate students to present their research at both national and international academic conferences, encouraging research experience and scholarly dissemination.*
3. *The faculty members hold doctoral degrees from leading universities in Thailand and abroad. They have continuously published research in international journals and conferences and possess experience in research collaboration and professional work with industry.*
4. *Applicants are required to prepare a brief research idea or topic of interest for their thesis or independent study. A summary of at least one A4 page should be submitted prior to the interview by email at graduate@eng.src.ku.ac.th.*
