3. Applicants who aim to participate in Plan 2.2 must hold a Bachelor's degree in Science or any other related fields with high academic record, and have the grade point average (GPA) not less than 3.25/4.00.
4. Applicant must have English examination result as required by the University Council. (See the Graduate School announcement <https://kasets.art/Bq7q7c>)
5. Qualification requirements of applicants are subject to Kasetsart University Regulations on Graduate Studies of Kasetsart University.

Note: other related fields such as Economics, Agricultural Business and ect.

The Board of The Graduate School, in the meeting number 16/2021 on 9 December 2021, resolved to give a definition of the term "Excellent Academic Performance" which means that students must obtain a cumulative grade point average of not less than 3.25.

If a cumulative grade point average is less than 3.25 but more than 3.00, applicants may be considered for admission by examining applicants' sufficient knowledge, ability and potential to conduct and publish doctoral research which must be approved by the Admission Committee for Graduate Studies, Head of Department or Graduate Program Committee Chairperson, and Dean of the applied program, and then submit to the Graduate School for consideration. This is to be applied as a practice guideline of Kasetsart University from the first semester of 2022 academic year onwards.

Application for Graduate Studies, 2027 Academic Year
